## Title: Section 01 – Health and Safety Policy

---

### **Our statement of general policy**

We recognise our responsibility to provide safe and healthy working conditions, and to encourage safe working methods and to enlist the active support of all personnel employed in achieving these ends we will:-

- Provide adequate control of the health and safety risks arising from our work activities;
- Consult with our employees on matters affecting their health and safety;
- The Company actively encourages employees to suggest improvements to further improve safe systems of work;
- Provide and maintain safe plant and equipment;
- Ensure safe handling and use of substances;
- Provide information, instruction and supervision for employees;
- Ensure all employees are competent to do their tasks, and to give them adequate training;
- Prevent accidents and cases of work-related ill health;
- Maintain safe and healthy working conditions; and review and revise this policy as necessary at regular intervals.

In order to achieve the process of continuous improvement, H&S management objectives are established and planning and implementing of this policy is achieved through the process of risk management, observance of legal requirements and suitable management arrangements, as laid out in our Health, Safety and Environmental Management System.
