

Section 1 Health & Safety Policy

OHSAS 18001:2007 Clause 4.2

Our statement of general policy

We recognize our responsibility to provide safe and healthy working conditions, and to encourage safe working methods and to enlist the active support of all personnel in achieving these ends we will:-

- Continual improvement in the OH&S management system;
- Comply with applicable legal and other requirements related to hazards within their scope of works;
- Provide adequate control of the health and safety risks arising from our work activities;
- All personnel under the control of the organization.
- Consult with our employees on matters affecting their health and safety;
- Provide and maintain safe plant and equipment;
- Ensure safe handling and use of substances;
- Provide information, instruction and supervision for employees;
- Ensure all employees are competent to do their tasks, and to give them adequate training;
- Prevent accidents and cases of work-related ill health, and injury;
- Maintain safe and healthy working conditions; and review and revise this policy as necessary at regular intervals.

In order to achieve the process of continuous improvement, H&S management objectives are established and the planning and implementing of this policy is achieved through the process of risk management, observance of legal requirements and suitable management arrangements, as laid out in our Health, & Safety Management System.
